

BRUN FINE ART

RENZO BERGAMO, THE AESTHETIC OF CHAOS

"Creativity is an immense black sea where once in a while a light shines"

- Renzo Bergamo.

Brun Fine Art is pleased to present, in collaboration with Associazione Renzo Bergamo per l'Arte e per la Scienza, an exhibition of paintings and works on paper by Renzo Bergamo (1934-2004) on view at the London gallery from the 26th of May to the 25th of June 2017. With this exhibition Brun Fine Art celebrates the opening of the new gallery space on the first and second floor of 38 Old Bond Street. The exhibition includes works realised between the 1960s to the final years of the artist's life, bringing together an important selection of over thirty works from the artist's oeuvre. A published catalogue with the text written by Enrico Gariboldi, who curated a major exhibition on the artist in 1994 in Milan, accompanies the works presented by Brun Fine Art.

For full details and larger images, please see the end of this document.
